

# Your invitation to a Spiritual Getaway, Tasmania

Opening 1 Nov 2015

For the same price as hotel accommodation, you can treat yourself to a rest in a beautiful country home with a spiritual tutor on hand if you want to talk, meditate or seek guidance or healing. The home is an uplifting experience in itself. It is timber-lined, set near forest, has extensive gardens and is steeped in the peacefulness which Stephanie brings into her home.

## Want to remember this later?

Just remember to google “**Steph the Indie Chaplain**” and check out her links.  
Or follow **stephtheindiechaplain** on facebook, or ask to be on Steph’s mailing list.
